

Shell Wall Lamp – User Manual

Product Overview

The Shell Wall Lamp is a decorative wall-mounted lighting fixture inspired by the natural elegance of a seashell. It provides a soft, warm glow designed to create a relaxing and welcoming atmosphere in living rooms, hallways, reception areas, and other interior spaces.

Package Contents

- 1 1 × Shell Wall Lamp
- 2 1 × Wall mounting bracket
- 3 Mounting screws and wall plugs
- 4 User manual

Installation Instructions

- 1 Turn off the main electrical power before installation.
- 2 Mark the position on the wall where the lamp will be installed.
- 3 Drill the necessary holes and insert the wall plugs.
- 4 Attach the mounting bracket securely using the provided screws.
- 5 Connect the electrical wires according to local electrical standards.
- 6 Fix the lamp onto the mounting bracket and ensure it is stable.
- 7 Turn the power back on and test the lamp.

Usage

The Shell Wall Lamp is designed to emit a gentle ambient light. It works best as mood lighting or decorative illumination rather than as a primary light source. For the best visual effect, install the lamp at eye level or slightly above eye level on a clean wall surface.

Safety Guidelines

- 1 Installation should be performed by a qualified electrician.
- 2 Ensure the lamp is installed on a stable wall surface.
- 3 Do not expose the lamp to excessive moisture or outdoor weather conditions.
- 4 Always disconnect power before cleaning or maintenance.

Maintenance

Clean the lamp gently using a soft dry cloth. Avoid harsh chemicals or abrasive materials that could damage the surface of the lamp.
